FROM THE CHANCELLOR

It's been said that the ultimate destiny of our lives is a direct result of the choices we make in life under the watchful eye and matchless grace of our Creator. While there is certainly no substitute for God's intervening grace in our lives, the truth is, our choices count. And over half a century of life has taught me that, often, the biggest developments in life are often tied to what seems to be micro-choices made in almost happenstance moments. Perhaps you are holding the result of a difference-making micro choice in your hand right now as you read through this handbook.

We are confident that God will guide you forward in the process of determining if what we offer fits His plan for your life. He is absolutely committed to watching over His Word to perform it in our everyday lives.

This *Student Handbook and Course Catalog* will provide you with an overview of our Mandate, Purpose and the Programs we offer to equip God's People for the work of the ministry He has called each and every believer to accomplish – especially within the local church.

Our **Mandate** as a college is framed in the Apostle Paul's directive given to Timothy, a young leader he was training, when he said in 2 Timothy 2:2, *"And the things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others."*

Our **Programs** are a direct reflection of the **Purpose** of Theos Bible College (TBC). Namely, to provide a rich, multifaceted educational experience focused on preparing men and women in Theological and Biblical Studies as well as those who would like to continue developing a working comprehension of and training for Pastoral Ministry.

I believe the reason you are holding this Handbook in your hand is because, deep inside your spirit, you have the sense that God is calling you to a deeper journey of diligent study of Him and His Word. It would be our greatest honor to be part of the process that you demonstrate your obedience to the Biblical admonishment in 2 Timothy 2:15 to *“Study to show yourself approved unto God, a (worker) that need not be ashamed, rightly dividing the word of truth.”*

I pray God will confirm His prompting in your spirit to dig into a season of study that will bear much fruit for the balance of your life here on this earth.

Finally, I would like to acknowledge and thank Dr. Douglas J. Wingate and the team at Life Christian University. Life Link Church was privileged to host an extension campus for LCU for 5 years with wonderful results. While the content and convictions underwriting Theos Bible College is a reflection of a separate and unique divine calling and mandate from God, our experience with LCU and their stellar model has provided the inspiration for much of the operational structure of TBC.

Committed to equipping God’s people,

DOCTRINAL STATEMENT OF FAITH

We believe and teach:

- The Bible to be the only inspired, infallible Word of God (*2 Peter 1:21, 2 Timothy 3:16-17*).
- In One God (*Isaiah 43:10*). The Godhead consists of the Father, the Son, and the Holy Spirit (*Matthew 3:16-17, 2 Corinthians 13:14*), One in Three and Three in One (*John 16:13-15, John 20:21-22*).
- In the sinless Deity of Jesus Christ (*John 1:1-14, Hebrews 4:15*), in His virgin birth (*Matthew 1:25*), in His atoning death (*Colossians 1:22*), in His bodily resurrection (*Acts 4:10*), in His ascension to the right hand of the Father (*1 Peter 3:22*), and acknowledge the Lordship of Jesus Christ over all things in heaven and on earth and under the earth (*Philippians 2:9-10*).
- Man was created in a state of righteousness and holiness but fell by transgression into a state of spiritual death in trespasses and sin, and remains in that condition until he is delivered by the power of the Gospel of Jesus Christ (*Romans 5:12-21*).
- In salvation through the redeeming blood of Christ by repentance toward God, faith in Jesus Christ and confession of His Lordship (*Hebrews 9:22, Romans 10:9-10, 13*).
- In Water Baptism by immersion (identifying with Christ's death, burial and resurrection) for those who have repented, believed in, and confessed Jesus Christ as Savior and Lord (*Matthew 28:19, Acts 2:38*), burying the sin nature, which results in freedom from slavery to sin (*Romans 6:1-6, Colossians 2:11-13*).
- In the Baptism of the Holy Spirit and speaking in tongues (*Acts 2:1-4, 2:38, 10:46, 19:6*), in the gifts of the Spirit (*1 Corinthians 12:8-11, Romans 12:6-8*) and the fruit of the Spirit (*Galatians 5:22-23*).

- In sanctification and holiness of heart and the overcoming life as Scriptural requirements for the Bride of Christ (*Ephesians 5:25-27*).
- In evangelistic and missionary fervor and endeavor (*Acts 1:8, Mark 16:15-18*).
- In the practice of observing the Lord's Supper regularly as enjoined in the Scriptures (*Luke 22:19-20, 1 Corinthians 11:23-34*).
- In the dedication of little children as observed in the Scriptures (*Matthew 19:13-15*).
- In tithing as taught in the Scriptures (*Matthew 23:23, Malachi 3:10*).
- That divine healing is obtained on the basis of Atonement (*1 Peter 2:24*).
- The true church is One body of many members consisting of "born-again" Christians regardless of church affiliation, and that we as individuals become members of that Body through the power of the Spirit; and so, we have fellowship one with another (*1 Corinthians 12:14-24, Ephesians 2:13-22, 4:3-6*).
- In Christ's imminent personal return in power and great glory, in His millennial reign and in His everlasting dominion (*Acts 1:11, Revelation 20:4, Daniel 7:14*).
- In the resurrection of both the saved and the lost – those who are saved unto the resurrection of eternal life, and those who are lost unto the resurrection of eternal judgment (*John 5:28-29, Revelation 20:15*).

TUITION

PHILOSOPHY BEHIND OUR LOW TUITION RATES

Obeying God by stepping into a ministry calling can be extremely difficult if the training required to do so leaves a student buried in financial duress. As a result, our commitment is to offer a quality, accredited Biblical education in a format that brings the best of many layers together; tuition that will allow students to invest in Biblical training in a manner consistent with the Biblical admonition that “servants (instructors/professors) are worthy of their hire”, while at the same time not leaving students under an oppressive burden of debt. Simply put, we strive to provide the life-giving sweet spot between the most affordable, highest quality, Biblical and Ministry education that we can offer as a ministry to the Lord and His people.

- One reason Theos Bible College has chosen to accredit through ACI (Accrediting Commission International, a less-costly non-government accreditation body) is that, the governmental accreditation programs required to allow a school to qualify for government-backed grants and loans are so costly, they require schools to end up charging the maximum tuition allowable in order to pass that expense back to students – leaving most graduating students mired in debt that take most of their lives to pay back.

STUDENT LOANS

We have an extremely flexible financial format to make access to Theos Bible College as life giving as possible. For example, a student may choose to pay the whole year’s tuition up front or that student may choose to access the equivalent of a Student Loan in the form of a “pay-as-you-go” program, paying for each course before the course begins.

- Students on this program must pre-pay each course before that course begins.
There are no provisions for partial payments.

TUITION FOR COURSE COMPLETION PROGRAM

Tuition costs for the course completion program are \$50 per course and \$125 per bundle (three courses per bundle). The fees do not cover the cost of the textbooks for the courses taken. Payment is required before the course or bundle is made available to the student. All courses that are completed may be converted to academic credit by paying the additional tuition amount and completing the additional work requirements.

TUITION FOR AUDIT PROGRAM

Tuition costs for the audit program are \$50 per course. The fees do not cover the cost of the textbooks for the courses taken. Payment is required before the course is made available to the student. All courses that are completed may be converted to academic credit by paying the additional tuition amount and completing the additional work requirements.

TUITION FOR UNDERGRADUATE PROGRAM

Course tuition fees for undergraduate courses are \$150 per course (\$50 per credit-hour). These costs do not cover the primary textbook costs. The student is responsible to purchase their own textbooks for each class. We recommend a subscription to Scribd for an audio book option for most of the required textbooks. Each yearly program covers nine (9) courses plus Ministry Practicum, which runs concurrently throughout the 10-month academic year. The completed courses plus Ministry Practicum credits provide a student with 30 credit hours per academic year.

TUITION FOR 1 PROGRAM (YEAR) OF UNDERGRADUATE STUDIES

Description	Credit-Hours	Cost
Tuition (does not include book fees)	27	\$1,350
+ Ministry Practicum	3	\$0
= Totals	30	\$1,350

÷ 9 Payments

REFUND POLICY

There is no refund for a purchased course.

MATRICULATED DEGREE FEE

Occasionally, students have accumulated enough credit hours from other approved academic institution, to qualify for a matriculated Christian Degree. If the courses are similar in nature to those offered in our school, a student may submit an application for such. There is a \$500 fee to matriculate a Bachelor's Degree.

TUITION FOR GRADUATE PROGRAM

MASTER'S PROGRAM

Fees for the Master's Program are \$231.66 per month, which includes tuition and thesis fees. Students are responsible to purchase their own textbooks. We recommend a subscription to Scribd for an audio book option of most of the required textbooks. Each yearly program covers nine (9) courses plus Ministry Practicum, which runs concurrently throughout the 10-month academic year. The completed courses (27 credit-hours) plus the student's 50 page Thesis (6 credit-hours) and their Ministry Practicum (3 credit-hours) provide a student with 36 credit-hours for the Masters Program.

+ Thesis Fees	6	\$420

DOCTORAL PROGRAM

Fees for the Doctoral Program are \$277.78 per month for nine months, which includes the dissertation costs. Students are responsible to purchase their own textbooks. We recommend a subscription to Scribd for an audio book option for most of the required textbooks. Each yearly program covers five courses (15 course hours) related to the students approved concentration, and 150-page research project/dissertation (30 course hours). Students will also participate in continued development of THEOS Bible College, as well as attend various meetings with staff and faculty. Any expenses related to continued development (i.e. seminar cost) is at the discretion of the student.

ENTRANCE REQUIREMENTS

UNDERGRADUATE LEVEL REQUIREMENTS

In order to enter a Christian Degree program, an Applicant must have either:

- Earned a diploma from an accredited High School
- Passed the General Equivalency Diploma (G.E.D.) test, or
- Can document an equivalent education

Students without proof of a High School diploma may receive a Certificate of Completion. Completing 60 credit hours as a Certificate Student (earning a GPA of C or better) demonstrates the student's ability to study at the university level and may enroll in Theos and begin to earn credits toward a degree.

- The 60 qualifying credits are in lieu of a High School equivalent education and will not count toward their Theos degree.

HIGH SCHOOL STUDENTS

High School students in their Junior or Senior year of high school, may enroll with parental permission and a minimum 3.0 GPA in their High School classes maintained.

ADVANCED PLACEMENT CREDITS

Transfer Credits

Incoming students who wish to transfer credit from another institution of higher learning must contact those institutions and request Official Transcripts be sent to the Admissions Office (see instructions in “Application Process” on page 23).

Credit will be granted for qualified transferable work done on an equivalent level at an approved institution in subjects that fit within the student’s program of study for courses completed with a grade of “C” or higher.

The Admissions Department will evaluate all qualified official transcripts obtained and submitted by the student. The student must submit all official transcripts to the Admissions Department within 60 days of student’s acceptance letter in order to avoid additional reassessment fees.

In order for a student to receive one of our Christian degrees, he/she must take or transfer in credits for subjects covered in our Program 1 and complete a minimum of 30 credit hours in one of the programs offered by Theos Bible College.

The complete enrollment instructions are covered in the upcoming section, “Application Process.”

Bible Teaching Experience Credit

Theos Bible College acknowledges that some incoming students are experienced ministers who may have spent large segments of their lives carrying out the responsibilities associated with study for the preaching and teaching of God’s Word in formal services or classes sanctioned by a church such as adult worship services, youth or children’s church services, or other institutions of Christian education. In light of that, we offer the possibility of giving students academic Bible Teaching Credit (BTE) toward a Christian Degree. For that preparation and teaching to qualify for BTE credit, most of the materials prepared and preached/taught should have resulted from the minister’s own study of God’s Word and not simply teaching someone else’s curriculum. See *Bible Teaching Experience Application* form in **Appendix B** for details.

BTE Evaluation Requirements

Students who wish to receive BTE credits must complete and submit the BTE Application and the \$50.00 BTE Evaluation Fee within 90 days of submission of the TBC Student Application in order to initiate the process. Once the qualified experience has been determined, the student will be assessed a \$15 per credit-hour for each BTE credit-hour awarded. If no BTE credit is awarded, there will be no additional fee incurred.

Qualifying students will receive a BTE Award Letter from the Registrar showing the BTE credits they are eligible to receive and the total Credit Award Fees associated with the BTE Credits. Once the student submits payment of the BTE Credits Fee, the BTE credits will be officially entered on the student’s transcript.

SAMPLE COSTS FOR UNDERGRADUATE BTE (Showing the maximum 30 credit-hours possible)

Description	Credit-Hours	Cost
BTE Evaluation Fee	27	\$50
+ BTE Credit Awarded	30 Hours @ \$15/hour	\$450
= Totals	30	\$500

STUDENT POLICIES

PERSONAL HABITS

With the submission of the Student Application, TBC Students are committing to live in accordance with Christian Lifestyle ideals congruent with the character values of Theos Bible School, which models a good testimony for Jesus Christ. In keeping with this commitment, students agree to abstain from the abuse (excessive/addictive use) of alcohol and tobacco. (Students who are walking out recovery from addictions should acknowledge that to the Dean ahead of time so we can provide grace-filled, life-giving accountability to them as they walk into the victory Jesus paid for in full.) Students also commit to maintain a behavior that is above reproach in relationship and the Biblical guidelines of sexuality, avoiding even the appearance of evil (1 Thess. 5:22).

ACADEMIC HONESTY

TBC will not tolerate academic dishonesty (cheating, plagiarism, etc.). Exams, papers or other work of this nature will receive an “F”, requiring the student to pay a \$150 fine, retake the course, write a different paper, re-test, etc. Repeat offenders will be dismissed from TBC with no refund of fees paid.

COURSE REQUIREMENTS

Students are expected to listen to all the course lectures, read through the course textbooks, take weekly quizzes, participate in weekly online discussion groups, submit all required research papers and take the final exam. Students will be issued a log in to Electa Learning Software. Students are expected to take all online classes as scheduled and sign a course completion affidavit. Classes are four weeks long each. See page 11 for the Course Completion Certificate requirements.

- NOTE: If needed, a student may pay for an extension of their class, each extension is two weeks, at an extra cost of \$50 per extension.

EXAMS

All students will take exams online through Electa Learning Software. Students will be required to sign an affidavit saying that they did not use any resources to help them on the exam unless otherwise approved.

BOOKS

Students are expected to acquire their own textbooks. We recommend a subscription to Scribd which has many of the required textbooks as a digital book as well as an audio book. The required textbooks are located under the Course Catalog.

FAILING GRADE

Grades will be entered into a student's transcript as earned. In order for a student to receive credit for a failed course, the student must pay for and retake the course. Once completed, the failing grade will be replaced by the grade earned by the student on their course re-take.

MINISTRY PRACTICUM

The purpose for providing education through TBC is, in part, to fulfill the mandate Jesus gave those with the Ascension Gifts listed in Ephesians 4:11-12. In other words, the instruction and training is not for knowledge alone, but for the "equipping of the Saints for the 'work of the ministry.'" In keeping with this, TBC sees Ministry Practicum as an essential component of Biblical Training.

As such, TBC includes and requires **Freshmen, Sophomores and Juniors** to serve in a ministry team in their local church for a minimum of 72 hours during each 9-course program of study. This Ministry Practicum must be documented by a ministry leader within the student's local church and may be served as a volunteer within the ministry of helps (e.g. Kids Ministry, Student Ministry, Worship Ministry, Usher, Greeter, etc.) or as part of a student's paid ministry employment if that time fits within those categories

of ministry. See **Appendix B** for a *Ministry Practicum Summary Log* used by students to properly document their MP hours.

Congruently, **Seniors** working toward a Bachelor's degree must spend at least 50% (36) of their MP hours in an area of ministry aligned with their degree. For example, a senior working toward a Bachelor's of Theology should spend at least 36 of their 72 MP hours teaching/leading a class or small group sanctioned by their local church.

- See the *Ministry Practicum Form* for details. NOTE: Credit for Ministry Practicum will only be granted after a student has completed 9 courses at TBC within each program year.

Master's Students are required to serve in their local church and/or community for a minimum of 176 hours during their program of study. See the Ministry Practicum Form for details.

DISCUSSION BOARD ETIQUETTE

Instructors will post weekly discussion questions for students to answer in the course discussion board. If a student has questions specific to the course, they may email the instructor directly, rather than post those in the discussion boards. The instructor's email will be posted in the course description.

MISCELLANEOUS FEES

TBC will not produce official transcripts nor allow students to participate in a commencement exercise until all outstanding fees have been paid. *All fees are non-refundable.*

Application Fee

The \$50 Application Fee covers the time spent processing/verifying the application and assessing a student's academic standing and qualification.

Official Transcript Request Fee

If the student's account is paid in full, a student may submit a *TBC Transcript Request Form* (found in **Appendix B** under Student Forms) to the Office of the Registrar. Each graduating student will be provided one official transcript free of charge upon request. Additional transcripts will be provided at a cost of \$10 each.

Students will be assessed a \$35 fee for any form of payment returned by the bank because of insufficient funds.

Printing Course Notes

Students can request to have course notes printed for \$10 each. Students can request to have notes printed and mailed for \$15 each.

2. Holy Spirit

It was the Holy Spirit who empowered Jesus to fulfilled His ministry on the earth. When He left He promised to send back the Holy Spirit who would empower every believer to achieve the same results. This course will exam the person of the Holy Spirit and how He empowers us to represent God as His ambassadors on this earth.

3. Seven Pillars of Society

There are seven key segments of society that determine the strength, purpose and direction of that society. If you want to weaken or reshape a society, you do it by changing who controls the key segments. The church inhabits one of those segments. This course will exam each key segment and how the church lost her influence and how she will regain that influence before Christ returns.

4. TBD

This course focuses specifically on the marketplace and how we can effectively demonstrate what it looks like to apply biblical principles in the business arena.

It will also discuss the strategies and weapons God has provided for us to use in appropriating the victory Christ won at the cross.

9. Gospel of John

This course will examine John’s account of Jesus’ miraculous life and ministry. The Gospel of John is at once the most complex and the easiest to understand of all the Gospels. Explore the divinity of Christ and the Word made flesh. Experience eye-witness views of miracle after miracle to further understand the

love of God as revealed in the life and ministry of Jesus. Be challenged to walk in unity as you ponder Jesus' final discourse before the crucifixion. Experience the wonder of the resurrection and the glorified Jesus.

YEAR SIX – COURSE DESCRIPTIONS

1. Healing

When Jesus died on the cross, His victory was complete. He provided salvation to our spirit, soul and body. No one doubts the forgiveness of sin, yet many still see healing as an “add on” that God randomly chooses to do from time to time. Healing was a central part of Jesus’ ministry and before He left this world He declared that anyone who believes in Him would do the same works He did. This course will step into the scripture and identify how we as His followers fulfill that same commission to heal the sick.

The issues of rejection and praise are one of the most fundamental problems in the human experience. This course will examine how to hold our hearts before God in a way that pleases Him amid rejection and praise from people.

ACCREDITATION

Theos Bible College Accreditation

Theos Bible College is a Theologically Accredited, educationally accountable institution of higher learning. *Our primary purpose is to equip God's People for the Work of Spiritual Ministry (as compared to institutions designed to prepare people for secular fields of endeavors).* For that reason, TBC has chosen to be accredited through the Accrediting Commission International. ACI is an internationally known, non-profit, Christian church educational organization. They handle the accreditation of Christian theological seminaries, universities and colleges around the world, providing oversight and supervision for almost 300 institutions in 8 countries and in 38 states within the USA.

An Overview of Accreditation

Accreditation is a term most people are familiar with hearing but don't really understand the inner workings of. To that end, here is a summary of what "accreditation" is and how it operates in the United States of America.

Simply understood, accreditation in the U.S. is established when an institution of education voluntarily submits to an accrediting agency's standards of high academic quality, accurate record keeping and ethical policies and practices. In essence, Accreditation is a statement of approval by an outside agency of oversight.

The U.S. government does not accredit schools. Instead, the United States Department of Education (USDE) approves associations, which accredits schools. These regional governmental accreditation associations serve as inspectors and overseers to *regulate the nearly 80 billion dollar congressionally-approved taxpayer investment into higher education known as "Title IV Funding."*

The United States Department of Education has said, *“It should be noted that some institutions have chosen not to participate in the federal student aid program and therefore do not have to be approved by an accrediting agency recognized by the Department.”*

In reality, the vast majority of Bible Colleges and Seminaries choose not to be governed by the secular oversight of the USDE and, accordingly, do not seek their regional accreditation.

Why Non-Governmental Accreditation?

Because we believe we should not allow secular institutions to dictate the qualifications for programs, content (i.e. Philosophies, cultural dictates, revised societal norms, other ideologies) and instructors for a spiritually focused ministerial degree, Theos Bible College has chosen not to seek governmental school accreditation.

Instead, TBC has chosen to submit to ACI (as outlined above), which serves religious educational institutions around the world function in an accountable system of accreditation that is not under the dictates of a secular government. The form of ministry accreditation provided by ACI is recognized by most churches, ministry institutions and ministry organizations. All ACI member institutions around the world accept credits from other member schools, if the credits apply to their programs.

Finally, TBC offers academic programs specifically designed to equip students who feel God’s call on their lives and who are working toward building a life of ministry. The programs offered by TBC are not designed for persons working toward secular careers. *It is the responsibility of prospective students to ascertain the acceptability of the credits and degrees offered through TBC, which may be accepted at the discretion of the evaluating institution, company or agency being pursued.*

Modern air passengers are unhappy about flying. Rather than marvel at traveling safely through the air at 30,000 feet, they complain of delays, small seats, and baggage fees. Instead of celebrating the ability to start one's day in Boston and end it in London, passengers complain of achy legs and long for a good hot meal. Why do travelers today focus on the problems of air

Introduction

Modern air passengers are unhappy about flying. Rather than marvel at traveling safely through the air at 30,000 feet, they complain of delays, small seats, and baggage fees. Instead of celebrating the ability to start one’s day in Boston and end it in London, passengers complain of achy legs and long for a good hot meal. Why do travelers today focus on the problems of air travel instead of its wonders? How have we lost sight of the magic of stepping into a flying machine to transport us across continents and oceans?

It turns out that such disillusionment is not specific to the airplane. In fact, initial wonder at technological feats—from the radio, to the automobile, to the television—is almost always eventually lost, usually at a moment when the technology has become accessible enough to lose its aura of exclusivity.

The reason for this was that, contrary to what Calles did in Mexico in 1929, Kemal "felt little need to develop the party organization. Libertas Decembrica: Singing Songs in the Christmas Season

Everyone has some liking for those curiously-fashioned little songs which come into brief prominence for a season at the end of the year. . . . In the multitudinous choice of carols it is disconcerting to note how the same stock-pieces crop up year after year, to the exclusion of other and better things. We are too easily put off with the expedient in art; our children do not properly prepare their little programme; our choirmasters all too naturally reach down the old, time-worn sheets that have done duty so long.

Christmas carols have long held an ambivalent position within contemporary culture, as the above epigraph suggests with its “old, time-worn sheets” of Christmas songs that “crop up year after year.”¹ Shopping malls, dentist offices, and radio stations resound untiringly from Thanksgiving to Christmas with the strains of “Away in a Manger” and “Silent Night,”² while in our increasingly multicultural and international communities, nonreligious holiday songs, such as “Rudolph the Red-Nosed Reindeer,” are gradually replacing sacred carols. For those, however, for whom the year concludes with Christmas, the familiar refrains of “We Wish You a Merry Christmas” and “The First Nowell” are still recalled and sung from year to year without fail, whether caroling in the streets, worshipping in churches, or sitting around the piano at home. Many of the still-performed carols and hymns can be traced back to the nineteenth century—if not earlier—and can be found in numerous translations and adaptations, resulting in a relatively limited repertory, albeit one with international appeal. While it is a rare occurrence to be able to connect any current carols with those of the Middle Ages or Renaissance, there is no question

Many years later, Robert Kleberg reflected without regret on his decision to migrate:

I wished to live under a republican form of Government, with unbounded personal, religious and political liberty, free from the petty tyrannies and the many disadvantages and evils of the old countries. Prussia smarted at that time under an offensive military despotism. I was (and have ever remained) an enthusiastic lover of republican institutions, and I expected to find in Texas, above all other countries, the blessed land of my most fervent hopes.²³

In December of 1834, Rosa and Robert Kleberg’s ship wrecked at Galveston, then a largely uninhabited island, instead of landing at the port of Brazoria as planned. Louis von Roeder and Robert Kleberg, who was the only one of the party who already spoke English, left Rosa and the others to watch their considerable baggage and set off on foot to find their relatives who had emigrated earlier. An Indian man helped the party to find them near the location of Cat Spring. Rosa recalled, “He belonged to a troop of Indians who were camping in the neighborhood and from whom our relations had been in the habit of obtaining venison in exchange for ammunition. They found our people in a wretched condition. My sister and one brother had died, while the two remaining brothers were very ill with the fever.” Kleberg and the von Roeders rented accommodations in the city of Harrisburg through the winter and until they were all together again, and eventually settled fifty miles west of there, near where the advance party had been living at Cat Spring.²⁴

PLAGIARISM

We all have access to endless information on the Internet. People “borrow” or “copy” things every day and freely put them on their blogs and Facebook pages. Most people no longer see this as an issue. If something is published, it is “out there,” and available to copy. Right? However, this “blog-style” thinking is all wrong when it gets transferred into the academic world. **So don’t do it!**

WHY IS IT WRONG TO COPY-PASTE IN A RESEARCH PAPER?

Many students plagiarize – and don't think anything about it. The website “plagiarism.org” states the problem clearly: “In a research paper, you have to come up with your own original ideas while at the same time making reference to work that's already been done by others. But how can you tell where their ideas end and your own begin? What's the proper way to integrate sources in your paper? If you change some of what an author said, do you still have to cite that author?”

Basically, your research paper shows that you have assimilated the course’s content. You have received illumination from your lectures, reading, and research. You have integrated these new ideas with things you already knew. Your research paper is a chance to clearly document your own personal thoughts and conclusions on the topic. It should be as original as you are! In this context, plagiarism is a fraudulent act. Not only did you steal someone else’s ideas, you then lied about it, claiming them as your own!

Schools are having to re-educate students about what plagiarism is and how to avoid it. They have also developed systems that can easily check to see if sections of a student’s paper have been copy-pasted. The rules on academic honesty have not changed: those caught committing plagiarism are subject to dismissal.

NOTE: Those preparing for ministry should hold themselves to the highest standard possible. Knowingly plagiarizing is lying to the Holy Spirit. How can anyone expect to be placed in ministry by the Lord if they lie to the Holy Spirit?

We are requiring ALL students to visit “plagiarism.org.” Here you will find in-depth answers to such questions as, what is plagiarism?

How to prevent plagiarism when writing by:

- Planning your paper
- Making it clear who said what
- Taking effective notes
- Knowing how to paraphrase
- When in doubt, cite sources
- Analyze and evaluate your sources

Tutorials are also available on such topics as how to cite sources and how to paraphrase.

Each of the **10 most common types of plagiarism** is shown below, ranked from the most flagrant abuse (“Clone”) to the least (“Re-tweet”).

#1. CLONE

Submitting another’s work, word-for-word, as one’s own

#5. RECYCLE

Borrows generously from the writer’s previous work without citation

#8. 404 ERROR

Includes citations to non-existent or inaccurate information about sources

#2. CTRL-C

Contains significant portions of text from a single source without alterations

#6. HYBRID

Combines perfectly cited sources with copied passages without citation

#9. AGGREGATOR

Includes proper citation to sources but the paper contains almost no original work

#3. FIND - REPLACE

Changing key words and phrases but retaining the essential content of the source

#7. MASHUP

Mixes copied material from multiple sources

#10. RE-TWEET

Includes proper citation, but relies too closely on the text’s original wording and/or structure

#4. REMIX

Paraphrases from multiple sources, made to fit together

MASTER'S DEGREE PROGRAM

THIS PAGE INTENTIONALLY LEFT BLANK

MASTER'S DEGREE PROGRAM

Theos Bible College offers a Master's Program designed to take Graduate students through our first year course in an expanded, Masters Level depth of study and demonstration of content mastery. As such, the 2022-2023 program offers a Master's in Theology.

MASTER'S PROGRAM TRACK

The Master's Program Track is designed for individuals who want to pursue a deeper working mastery of Theological studies. The 36 credit-hour Master's Program Track is comprised of 9 courses (3 credit-hours each), 1 academic year of Ministry Practicum (3 credit-hours) and a formal Thesis worth 6 credit-hours.

NOTE: It is a very aggressive goal to endeavor completing this Master's Program in a single academic year. It is advisable to consider adopting a two-year plan:

- Year 1 for all the Course Work, then
- Year 2 for the requisite Thesis

TUITION

Fees for the Master's Program are \$231.66 per month, which includes tuition and thesis fees. Each yearly program covers nine (9) courses plus Ministry Practicum, which runs concurrently throughout the 10-month academic year. The completed courses (27 credit-hours) plus the student's 50 page Thesis (6 credit-hours) and their Ministry Practicum (3 credit-hours) provide a student with 36 credit-hours for the Masters Program.

Description	Credit-Hours	Cost
Tuition (\$185/course, does not include books fees)	27	\$1,665
+ Thesis Fees	6	\$420
+ Ministry Practicum	3	\$0
= Totals	36	\$2,085
÷ 9 Payments		\$231.66/course

REFUND POLICY

There is no refund for a purchased course.

ENTRANCE REQUIREMENTS

Candidates for this program must have earned a Bachelor's Degree with a Theologically-related major from a recognized college or university. A Master's Program candidate having a Bachelor's Degree in an unrelated field will be required to complete "leveling classes" equating to 60 credit-hours of Biblical foundation courses before starting at the Master's Program level.

- Special Note to people with substantial ministry experience: Formal teaching and preaching experience may qualify a student for Bible Teaching Experience credit. Experienced ministers should see the Bible Teaching Experience Application form in **Appendix B**.

BIBLE TEACHING EXPERIENCE EVALUATION REQUIREMENTS

Students who wish to receive BTE credits towards their Master's Program must complete and submit the BTE Application and the \$50.00 BTE Evaluation Fee within **30 days** of submission of the TBC Student Application in order to initiate the process. Once the qualified experience has been determined, the student will be assessed a \$20 per credit-hour for each BTE credit-hour awarded at the graduate level. If no BTE credit is awarded, there will be no additional fee incurred. Qualifying students will receive a BTE Award Letter from the Admissions Office showing the BTE credits they are eligible to receive, and the total Credit Award Fees associated with the BTE Credits. Once the student submits payment of the BTE Credits Fee, the BTE credits will be officially entered on the student's records.

SAMPLE COSTS FOR GRADUATE LEVEL BTE
(Showing the maximum 9 credit-hours possible)

Description	Credit-Hours	Cost
BTE Evaluation Fee	27	\$50

MASTER'S THESIS GUIDELINES

THIS PAGE INTENTIONALLY LEFT BLANK

PREPARATION

The thesis preparation stage is comprised of three stages. They are: the planning stage, the development stage, and the presentation stage. Each of these stages is described in detail on the next few pages.

THE PLANNING STAGE

Choose the Topic

For the 2022-2023 Academic Year, all thesis topics will focus on Theology. A thesis is the pinnacle of graduate level work and therefore should make a contribution to a particular field of knowledge.

Determine Your Timetable

For the 2021-2022 Academic Year, Master's Level Thesis Papers are due four weeks before 2023 graduation. Plan a timeline to live by – and stick with it! Set daily, weekly, or monthly goals (and an accountability partner) to help you stay on track.

Prepare a Proposal

After your topic has been chosen and a timeline established, the next step is to prepare a thesis proposal. Properly planning and developing your proposal helps to clarify the what, the why, the when, and the how of writing the thesis. A Thesis Proposal has several sections, including the following:

1. Proposed title and topic.
2. The thesis statement. This is a single sentence that summarizes the main point of your thesis, giving the reader your point of view concerning your topic. It is the significant idea that ties all your information together.
3. Proposed thesis objectives (goals). The objectives should be written so as to provide an overview of the thesis and what the student hopes to accomplish

- through it.
4. Proposed approach to researching your topic.
 5. A general outline of the contents (this may change once research/writing begins).
 6. An estimated time frame for completing the work.

Submit the Proposal for Approval

Give your finished proposal to the Academic Dean for review and approval. At that time you will schedule a session with the Academic Dean for assistance in fine-tuning your topic, approach to research, etc.

THE DEVELOPMENT STAGE

Research

Research is defined as scientific or scholarly investigation. Sophisticated and extensive research, as required by the master's level program, means you must spend many hours searching out and reading source material and then analyzing what you have read. It requires a deep-thinking process that is more than mimicking the ideas of other authors. Research can include the analysis and comparison of scriptural texts, library study, personal interviews with knowledgeable individuals, statistical surveys, etc.

Research Philosophy

All Masters candidates should keep the following requirements in mind:

1. Research work is to be completed by the student only. A part of the discipline of graduate work is researching, reading, analyzing, and writing. No project will be accepted if the content development is not 100% of the student's work.
Academic honesty is vital.
2. All sources of research materials should be noted with endnote citation as illustrated in Research Paper Guidelines. The bibliography should contain a

minimum of 25 different resources from which you have gathered information. These can include the Bible and various Bible study aids.

3. All quotations should accurately reflect the context from which the quote was taken. Misrepresentation of any position is unacceptable to TBC. Be sure you understand the writer's viewpoint clearly. Quote your author or resource accurately. No one appreciates being misquoted.
4. Please do not write a thesis consisting mostly of quoted material. TBC is more interested in the work and skills of the student and his/her thoughts than the opinions of others. Use your research to support your position, but draw your own conclusions. Originality and creativity are encouraged!

Official Writing Manual

The official writing manual is *A Manual for Writers of Research papers, Theses, and Dissertations*, 9th Edition by Kate L. Turabain. This comprehensive guide is a ready reference to answer specific grammatical questions as well as questions on documentation of research. Use this as a model, except as noted in the Research Paper Guidelines. You can order the book from www.chicagomanualofstyle.org, amazon.com, or find one at a used bookstore near you.

Preliminary Drafts

Extensive research normally requires several drafts of the thesis before the final copy is prepared. You are not required to submit drafts for formal approval. However, it is a good idea to have someone with a keen eye and a good command of the English language proofread the final draft of your thesis. The ideas and the words of the thesis must be your own – but even professional writers have someone else proof their work.

Final Version

When the final version of your thesis is complete, submit it to the Academic Dean, along with your final payment.

NOTE: Your thesis will not be graded until all thesis tuition is paid in full.

WALKING FOR YOUR MASTER'S DEGREE

To walk in your graduation ceremony, your thesis must be completed and graded as well as all of your 6 page papers turned in and graded. Please allow 4 weeks for grading. The fees and tuition for both your coursework and your thesis must also have been paid.

THESIS PRESENTATION

COVER/BINDING

The final version of the student's Master's thesis should be put in a black 1.5" three-ring binder with a clear insert on the front in which to insert the title page. Additionally, a PDF is to be submitted for the Theos Bible College digital Library.

TITLE PAGE

The title page information should follow the Turabian Chicago Style format and include the following:

THESIS GRADING

GRADING GUIDELINES

The will be reviewed using the rubric located at the end of appendix.

EVALUATION PROCESS

The evaluation of each thesis will be based upon the following criteria:

CONTENT

What ideas were presented? What conclusions were made? Superficial treatment of a subject will earn a below-acceptable grade. Papers having less than the minimum number of pages will be returned as unacceptable.

DOCUMENTATION OF RESEARCH

Ideas presented need to be based on the Word of God and other factual information. Documentation is the evidence of the writer's in-depth research. By crediting the sources used, the writer provides support for the ideas presented, allowing readers to judge the quality, credibility, and originality of the work. Documentation also shows readers where to look for more information on the subject. (Minimum of 25 sources is required.)

ADHERENCE

Adherence refers to the paper's focus. Information should be carefully organized around the subject. Digressing from the subject, excessive repetition, inclusion of unimportant issues, etc. will result in a below-acceptable grade.

GRAMMAR AND STYLE

This refers to accuracy of spelling and punctuation, use of proper grammar and sentence construction, and proper word usage.

DELIVERY

Did the writer capture and hold the reader’s interest? Was the presentation logical and coherent?

ORIGINALITY AND CREATIVITY

Originality and creativity refer to how the student approaches the subject. The Masters candidate’s thesis is expected to make a contribution to his/her field of endeavor.

PRESENTATION

Presentation refers to the physical layout of the material presented. To obtain the maximum credit for presentation, the paper must conform to the style as outlined in the *TBC Research Paper Guidelines*.

GRADING SCALE

All theses will be graded according to the following scale:

Quality of Work	Points
Excellent	93 – 100
Good	85 – 92
Average	77 – 84
Poor	70 – 76
Failure	0 – 69
Incomplete	N/A

A thesis grade of 85 points or more is required for a Master’s degree.

CLOSING COMMENTS

The Master’s thesis is a process of scholarly research in a ministry-related discipline. Research skills are imperative to the Master’s candidate’s success. Writing a thesis is your opportunity to demonstrate competence in your field of expertise.

DOCTORATE DEGREE PROGRAM

THIS PAGE INTENTIONALLY LEFT BLANK

PHD OR DMIN

Theos Bible College offers two distinctions in the doctoral program, the Doctor of Ministry (DMIN) and the Doctor of Philosophy (PhD). Neither is superior to the other. Rather, both are equal advanced professional programs that offer slightly different types of study. One for the field of local ministry, the other for the arena of academia.

Both are designed to enhance professional competence in the practice of ministry, to provide opportunity for the renewal of personal spiritual life, to grow theologically, and to stimulate growth in ministry.

Requirements of the THEOS Doctoral program are strategically developed for the ministry professional to remain in full-time ministry while engaged in this learning process. While the Doctor of Ministry is not solely a research program, however, the highest academic standards are set forth. As such, it is required of doctoral students to set forth an un-paralleled academic, social, and spiritual position as an encouragement for underclassmen and to uphold the standards of THEOS Bible College.

The Doctoral program is a minimum of nine months in length and requires the completion of five courses (15 course hours) related to the students approved concentration, and 150-page research project/dissertation (30 course hours). Students will also participate in continued development of THEOS Bible College, as well as attend various meetings with staff and faculty.

NOTE: It is a very aggressive goal to endeavor completing this Doctoral Program in a single academic year. It is advisable to consider adopting a two-year plan:

- Year 1 for all the Course Work, then
- Year 2 for the requisite Dissertation

DOCTORATE PURPOSE

The DMin and PhD programs seek:

- To provide a Spirit-filled learning environment where professionals can learn academically and practically from instructors and peers in ministry.
- To facilitate the development of increased professional and leadership effectiveness.
- To aid in self-examination and spiritual renewal.

PREPARATION

The dissertation preparation stage is comprised of three stages. They are: the planning stage, the development stage, and the presentation stage. Each of these stages is described in detail on the next few pages.

THE PLANNING STAGE

Choose the Topic

For the 2023-2024 Academic Year, dissertation topics will have already been decided and reviewed by a faculty member.

Determine Your Timetable

For the 2023-2024 Academic Year, Doctoral Dissertations are due four weeks before graduation of 2024. Plan a timeline to live by – and stick with it! Set daily, weekly, or monthly goals (and an accountability partner) to help you stay on track.

Prepare a Proposal

After your topic has been chosen and a timeline established, the next step is to prepare. Properly planning and developing your proposal helps to clarify the what, the why, the when, and the how. A Dissertation Proposal has several sections, including the following:

1. Proposed title and topic.
2. The thesis statement. This is a single sentence that summarizes the main point of your thesis, giving the reader your point of view concerning your topic. It is the significant idea that ties all your information together.
3. Proposed thesis objectives (goals). The objectives should be written so as to provide an overview of the thesis and what the student hopes to accomplish through it.

4. Proposed approach to researching your topic.
5. A general outline of the contents (this may change once research/writing begins).
6. An estimated time frame for completing the work.

Submit the Proposal for Approval

Give your finished proposal to the Academic Dean review and approval. At that time you will schedule a session with the Academic Dean for assistance in fine-tuning your topic, approach to research, etc.

THE DEVELOPMENT STAGE

Research

Research is defined as scientific or scholarly investigation. Sophisticated and extensive research, as required by the Doctorate level program, means you must spend many hours searching out and reading source material and then analyzing what you have read. It requires a deep-thinking process that is more than mimicking the ideas of other authors. Research can include the analysis and comparison of scriptural texts, library study, personal interviews with knowledgeable individuals, statistical surveys, etc.

Research Philosophy

All Doctoral candidates should keep the following requirements in mind:

1. Research work is to be completed by the student only. A part of the discipline of graduate work is researching, reading, analyzing, and writing. No project will be accepted if the content development is not 100% of the student's work.
Academic honesty is vital.
2. All sources of research materials should be noted with footnote citation as illustrated in Research Paper Guidelines.
3. All quotations should accurately reflect the context from which the quote was

taken. Misrepresentation of any position is unacceptable to TBC. Be sure you understand the writer's viewpoint clearly. Quote your author or resource accurately. No one appreciates being misquoted.

4. Please do not write a dissertation consisting mostly of quoted material. TBC is more interested in the work and skills of the student and his/her thoughts than the opinions of others. Use your research to support your position, but draw your own conclusions. Originality and creativity are encouraged!

Official Writing Manual

The official writing manual is *A Manual for Writers of Research papers, Theses, and Dissertations, 9th Edition* by Kate L. Turabain. This comprehensive guide is a ready reference to answer specific grammatical questions as well as questions on documentation of research. Use this as a model, except as noted in the Research Paper Guidelines.

You can order the book from www.chicagomanualofstyle.org or find one at a used bookstore. New books range from 18-35 dollars including tax, shipping, and handling. Used books are also available at amazon.com.

Preliminary Drafts

Extensive research normally requires several drafts of the thesis before the final copy is prepared. You are not required to submit drafts for formal approval. However, it is a good idea to have someone with a keen eye and a good command of the English language proofread the final draft of your dissertation. The ideas and the words must be your own – but even professional writers have someone else proof their work.

Final Version

When the final version of your dissertation is complete, submit it to the Academic Dean.

WALKING FOR YOUR DOCTORAL DEGREE

To walk in your graduation ceremony, your dissertation must be completed and graded as well as all of your 6-page papers turned in and graded. Please allow 4 weeks for grading. All tuition and fees for both your coursework and your dissertation must also have been paid.

DISSERTATION PRESENTATION

COVER/BINDING

The final version of the student's dissertation should be put in a black 1.5" three-ring binder with a clear insert on the front in which to insert the title page. Additionally, a PDF is to be submitted for the Theos Bible College digital Library.

TITLE PAGE

The title page information should follow the Turabian Chicago Style format and include the following:

DISSERTATION GRADING

GRADING GUIDELINES

All Dissertations will be reviewed using the rubric located at the end of appendix A.

DISSERTATION EVALUATION

The evaluation of each dissertation will be based upon the following criteria:

CONTENT

What ideas were presented? What conclusions were made? Superficial treatment of a subject will earn a below-acceptable grade. Papers having less than the minimum number of pages will be returned as unacceptable.

DOCUMENTATION OF RESEARCH

Ideas presented need to be based on the Word of God and other factual information. Documentation is the evidence of the writer's in-depth research. By crediting the sources used, the writer provides support for the ideas presented, allowing readers to judge the quality, credibility, and originality of the work. Documentation also shows readers where to look for more information on the subject.

ADHERENCE

Adherence refers to the paper's focus. Information should be carefully organized around the subject. Digressing from the subject, excessive repetition, inclusion of unimportant issues, etc. will result in a below-acceptable grade.

GRAMMAR AND STYLE

This refers to accuracy of spelling and punctuation, use of proper grammar and sentence construction, and proper word usage.

DELIVERY

Did the writer capture and hold the reader’s interest? Was the presentation logical and coherent?

ORIGINALITY AND CREATIVITY

Originality and creativity refer to how the student approaches the subject. The writer is expected to make a contribution to his/her field of endeavor.

PRESENTATION

Presentation refers to the physical layout of the material presented. To obtain the maximum credit for presentation, the paper must conform to the style as outlined in the *TBC Research Paper Guidelines*.

GRADING SCALE

All dissertations will be graded according to the following scale:

Quality of Work	Points
Excellent	93 – 100
Good	85 – 92
Average	77 – 84
Poor	70 – 76
Failure	0 – 69
Incomplete	N/A

A grade of 85 points or more is required for a Doctorate degree.

CLOSING COMMENTS

The dissertation is a process of scholarly research in a ministry-related discipline. Research skills are imperative to the candidate’s success. Writing a dissertation is your opportunity to demonstrate competence in your field of expertise.

Student Policy for AI Use In Research Papers

Objective:

This AI-generated policy provides clear guidelines for students at Theos Bible College using AI in research paper creation, with an unwavering emphasis on preventing plagiarism. The primary goal is to use AI exclusively for research and idea generation while maintaining the highest standards of academic integrity.

Scope:

This policy applies to all students engaged in research and academic paper writing at Theos Bible College.

Guidelines:

1. AI for Idea Generation:

- Students may use AI for brainstorming research topics and identifying relevant literature.
- While AI may assist in data analysis, students must meticulously validate and contextualize any findings.

2. Human-Centric Review and Editing:

- The final paper must unequivocally reflect the student's intellectual contributions.
- Students bear full responsibility for substantial portions, including abstracts, conclusions, and key arguments.

3. Ethical Considerations and Plagiarism:

- Strict adherence to ethical standards is paramount, with an uncompromising focus on avoiding plagiarism.
- All AI-generated content must be impeccably identified as such, and students must be unwavering in ensuring their work does not infringe upon others' intellectual property.
- Plagiarism refers to the act of presenting AI generated content or someone else's ideas, words, or work as one's own without giving proper credit or acknowledgment. It involves the unauthorized use or reproduction of another person's intellectual property, such as text, ideas, images, or creative works, and is considered a serious violation of academic and ethical standards.

4. Research Purposes Only:

- The use of AI is strictly limited to research idea generation, data analysis, and initial content creation.

- Students must demonstrate understanding and acceptance, that AI tools are exclusively for research purposes. Substituting AI for personal academic effort is strictly prohibited.

5. Peer Review Process:

- All research papers, whether AI-assisted or not, must undergo meticulous peer review.
- Peer reviewers are charged with evaluating papers for academic merit, clarity, and contribution to the field, with a vigilant eye for potential plagiarism.

Limitation

The use of AI in creating research papers is unambiguously limited to research idea generation, data analysis, and initial content creation. The final paper must demonstrate the student's intellectual contributions while absolutely avoiding plagiarism.

Review and Revision

This AI-generated policy will undergo review and revision as needed to align with advancements in AI technology and evolving ethical standards in research. Adherence to this policy is non-negotiable for all students engaged in research and publication processes at Theos Bible College, with appropriate consequences for violations, including disciplinary actions and publication retractions.

The decision of the Dean of Theos Bible College concerning any infraction(s) of this policy will be final.
